## **THE FIELD OF PLAY**

Other than the half-way line, the only other markings shall be that of the goal creases, corner kicks, free kicks and kick-in/substitution lines. The goal crease is the only designated area in which the goalkeeper may handle the ball with his hands.

## **PLAYER EQUIPMENT**

Each player shall wear a shirt of the same color as each of his/her teammates. Shorts, socks and indoor soccer footwear are also required. Footwear can be either that specifically manufactured for indoor soccer, turf shoes or tennis shoes. Outdoor soccer cleats are prohibited in all BLD Indoor Soccer Leagues. All players must wear shin guards when on the playing surface. A player who loses a shoe during the normal course of play may continue to participate until it is possible to leave the surface. Under no circumstances may a player leave the bench without shoes. Effective 2020 BLD will no longer supply bibs to distinguish team colors. Teams are encouraged to have jerseys.

All teams will choose a Jersey color at start of the season. In the event of two or more teams having the same color, the VISITING team will have to wear a backup color when they play each other. Team names will be highlighted with the color of their Jersey choice on the Indoor Soccer schedule. Failure to provide a backup jersey color as the visiting team will result in a 3-goal deficit to start the game for the first offence and a game forfeit for any offence beyond that.

The goalkeeper shall wear colors that distinguish him from field players and from the official. The goalkeeper may wear protective headgear and gloves if approved by the official and league. A player shall not wear anything that, in the opinion of the official and/or League Coordinator, is dangerous to themselves or other players. NO JEWELRY of any kind will be worn. Casts, splints, or body braces made of a hard substance, including leather, rubber, plastic, or fiberglass must be entirely covered by at least ½ inch high-density polyurethane, or similar substance that is satisfactory to the referee and/or League Coordinator. If a referee and/or League Coordinator finds that a player is wearing articles not permitted by the rules or which may constitute a danger to themselves or other players, the referee and/or League Coordinator shall order him to take them off. Any player failing to comply with referee and/or League Coordinator order shall be prohibited from play so long as the condition exists. Any player sent off for unsatisfactory/unsafe equipment must report to the referee and/or League Coordinator upon re-entry into the game.

## **ROSTER REQUIREMENTS**

Team rosters will be frozen after the ~~third~~ fourth week of play. Teams must have at least **9** paid spots on their roster at this time. Once the fourth week has past, no players or temp spots will be able to be added to the roster. One exception to this would be any time in which a player is dropped from the teams' roster, that player must be replaced to maintain a minimum of **9** players. By dropping a player, the added player is then responsible to register and pay his or her player fee. Hardship cases will be heard by the league coordinators and evaluated on a case-by-case basis. Under no circumstances will players be allowed to be added during playoffs. It is the responsibility of the coach to make sure all temp spots are assigned names by the end of the night on week 5. The

coach will need to sign off on his or her roster before the game on week 6. This will be the team's playoff roster.

Players not registered on the roster will be considered illegal players and will cause the team on which he/she is playing for to forfeit the match. The opposing team coach or captain must protest illegal players to the League Coordinator. An illegal player protest must be made to the coordinator before the end of the first half of the game. Once the second half has commenced, no protest will be allowed (unless the player is a new substitute). If protesting a substitute, it must be done within 1 minute of his/her entering the game. Only one ineligible player protest per game is allowed and up to two players may be questioned. Player protests may only happen after the roster freeze date.

All teams must be ready to play at game time, or immediately following the end of the previous match, whichever is first. Please help keep all the games on schedule by cooperating with the coordinator. Penalties may be imposed for not adhering to the above rules at the director's discretion.

### **PLAYOFFS**

League Playoffs will be held after the completion of our nine-week season. The playoff system will determine the league champions and the second-place team. The playoffs will work as follows:

**4-5 teams in a division: top 3 will advance. 6-8 teams in a division: top 4 will advance. 9 or more teams in a division: top 6 will advance.** The teams will be seeded according to league standing and games will be played until the final champion has been determined based on a single elimination format. If at the end of regulation time, the game is tied, then we will have **(2) three-minute golden goal** overtime periods. If a winner has not been decided in the overtime period, then kicks from the penalty mark will decide the winner.

### **LEAGUE STANDINGS: POINT SYSTEM**

Win = 3 Points  
Tie = 1 Point  
Loss = 0 Points

Tie Breaker:

- ↪ Goal Differential
- ↪ Head-to-Head
- ↪ Goals Against
- ↪ Goals For
- ↪ Coin Flip

### **PLAYER ELIGIBILITY**

Players must be at least 15 years old to participate in league play. Players under the age of 18 must have a parent or legal guardian signature on the player's waiver card before participation. All players must be able to produce valid picture I.D. upon request by a league coordinator.

## **COACHES RESPONSIBILITIES**

If matches are canceled or delayed, coaches will be notified as soon as possible. If you do not receive a call, matches will be played as scheduled. Coaches only are allowed to discuss rule interpretations with the referee or League Coordinator. Coaches will be responsible for informing team members of the decision involving rules, forfeits, coin toss, protests, etc. If there is no coach, each team must designate a captain.

**It is the responsibility of the Coach to inform players of all rules and regulations of the league. Good sportsmanship is always expected from all players. Coaches will be held responsible for the conduct of their players and spectators.**

## **LEAGUE PLAYING RULES**

These condensed rules are written with the assumption that the reader is familiar with FIFA laws and procedures. We will follow FIFA rules except for the following conditions.

### **NUMBER OF PLAYERS**

Each team must always keep a minimum number of nine players on their roster. Each team will place seven players, including a designated goalkeeper, on the playing field. Teams cannot compete with less than four players, one being the goalkeeper. Coed shall not place more than four males and no less than two females at any time. In case of any team going under the minimum number of players due to a blue or yellow card the game shall continue.

Substitutions may be made freely and without waiting for a stoppage of play. However, neither a player entering the field, nor a departing player may participate in play during the period of time when they are simultaneously on the field. Violation of this rule will result in a free kick to be taken by a player of the non-offending team from where the ball was located when play was stopped.

Substitutes may not enter the field of play until the player(s) leaving the field are within one yard of their team bench door.

In the event of an injured player, the referee shall stop play only when (a) the injury is deemed critical, (b) by his location on the field, the injured player is likely to interfere with play, or (c) the injured player's team has possession of the ball. Any player exhibiting blood must immediately leave the playing surface for treatment. Such player must show the official that the wound has been treated.

For any of the following offenses the referee may assess a blue/yellow card:

- ▫ Playing without a goalkeeper or a specifically designated player wearing a goalkeeper's jersey.
- ▫ Unreasonably delaying the game
- ▫ Having too many players in the field.

- ↪ In any of such instances, the game shall be restarted by a free kick to be taken by a player of the non-offending team from where the ball was located when play was stopped.

A protest or complaint about a penalty is not a matter “relating to interpretation of the rules” and a yellow card may be given to the captain or other player making such protest or complaint.

### **DURATION OF THE GAME**

The clock will start at the designated game time. If a team fails to field the minimum number of players (4) within 15 minutes into the game, it will result in a forfeit. We will award the team that is ready to play one goal every 5 minutes until the 15 minutes is up at which time the game will result in a forfeit.

Games shall be played in two equal halves of 21 minutes each with a halftime interval of 1 minute. Only in the last minute of regulation time will the clock be stopped during all dead balls if the game is within 2 goals.

Only the referee and/or League Coordinator may call a “time out” for any unusual circumstances, injury, or any reason deemed appropriate.

If at any time during the game a team trails by more than 8 goals the following rule will go into effect until the trailing team reduces the deficit to 7 goals: the trailing team will be able to add an extra player onto the field of play. If the trailing team does not have an extra player to add then the leading team will pull off a player of their choice. Opposing teams do not get to decide who is added or who comes off the field.

### **START OF PLAY**

Home team will have the kickoff to start the game. Visiting team will have the kickoff to start the second half. After the referee has given a signal, the game shall be started by a player taking a place-kick: every player on the opposing team shall remain outside of the center circle or 10-foot radius (where applicable). The kicker shall not play the ball a second time until another player of either team has touched it. A goal may be scored directly from the kickoff.

After a goal is scored, the game shall be restarted by kickoff at center by the opposing team.

After a dead ball, the offensive team has 5 seconds to put the ball in play.

At the half, teams shall change ends, and the visiting team will start the second half with the kickoff.

When restarting the game after a stoppage of play for any reason other than a rule violation, the official shall drop the ball at the place where it was when play was stopped, and the ball shall be in play when it touches the ground. When restarting the game after

a stoppage of play occurring in the goal crease, the referee shall drop the ball at the free kick mark. Under no circumstances shall the ball be dropped in the goal crease area. When the ball passes over the perimeter wall, a player on the opposing team shall restart play by kicking the ball from the spot assigned by the official. If, in the opinion of the referee, a player intentionally propels the ball over the perimeter wall, the referee may award a free kick to the opposing team from the free kick mark. A goal may be scored directly from such a kick.

When the whole of the ball passes over the end perimeter wall and between the corners, having last been played by a player of the attacking team, play shall be restarted with a goal kick taken by a player of the opposing team. The ball shall not be in play until it has left the goal crease. Goal kicks may not travel over the center line.

### **BALL IN AND OUT OF PLAY**

The ball is always in play from the start of the game including:

- ↪ If it rebounds from a goalpost, or cross bar.
- ↪ If it rebounds off a referee when he/ she is in the field of play.

The ball is out of play:

- ↪ When it has crossed the perimeter wall.
- ↪ When the referee has stopped play.
- ↪ When the ball makes contact with any part of the building structure above the field of play.
- ↪ When the ball hits any netting surrounding the playing surface.

### **METHOD OF SCORING**

One point will be awarded for each goal scored. In Coed games, 2 points will be awarded for each goal scored by a female player. In coed, the goal is determined by which offensive player (male/female) makes contact with the ball last even if it is a deflection off of the offensive player.

### **PENALTY KICKS**

Any foul committed within the goal crease by the defending team shall result in a penalty kick. The penalty kick will be taken from the dot at the top of the goal crease. All other players on the field will remain behind the line marking the offensive quarter of the field until the ball is kicked. The kicker may take as long or as short of a run up to the kick as he/she would like, however the kicker has 5 seconds to kick the ball after the referee has blown the whistle just like any other restart. The kicker may not play the ball a second time until it has been touched by another player. (Meaning if the ball hits off the wall, goalposts, or crossbar without being touched by the goalkeeper, kicker shall not touch the ball until another player has touched the ball first.)

### **FOULS/MISCONDUCTS**

All fouls, dangerous plays and/or misconduct will result in a direct free kick to be taken at the place where the infraction occurred.

## **BLUE, YELLOW, AND RED CARDS**

Time does not begin until the player(s) step off the playing field. If a goal is scored before the player(s) steps off the field the team will not be allowed to replace that player on the playing field until their full time is complete or another goal is scored.

**Blue:** the player must exit the playing field for two minutes and may re-enter the playing field if a goal is scored against their team. The team must play short for these two minutes.

**Yellow:** the player must exit the playing field for four minutes and must serve the four minutes regardless. Another teammate may come in if there is a goal scored against their team. The team must play short for these four minutes.

**Red:** the player must exit the playing field and Big League Dreams Sports Park immediately. The team must play short for five minutes regardless of any goals scored against them.

The player will not be allowed to play for an entire playing week and will receive a minimum of a (1) week suspension from all BLD parks. The player will not be allowed to play on any other league night (soccer or softball) until his/her red card suspension is over. They will also not be allowed to visit the park as a spectator during their suspension. This includes all BLD facilities for all events. Also, if a player, coach, or spectator on the bench receives a red card, he/she must leave the park immediately and the team must play a player short for five minutes as well.

## **CARD VARIATIONS:**

(2) Blue cards = Yellow card (serve full penalty for the final card)

(1) Yellow card + (1) Blue card = Red card (serve full penalty for the final card)

(3) Blue cards = Red Card

## **GOALKEEPER GUIDELINES**

Goalkeepers are restricted from playing the ball hand to hand. In other words, once having had control of the ball in his hands and having released it to be played; the goalkeeper shall not handle the ball again until it has been touched by an opponent.

The goalkeeper may not play the ball with his hands if a player deliberately kicks the ball back to his own goalkeeper. Deflections are permitted, provided it was unintentional.

The goalkeeper with possession of the ball in the crease area must distribute the ball outside the crease within five seconds (control with his/her hand(s)).

The goalkeeper may not, under any circumstances, bring the ball into the goal area from outside the goal area, and pick it up with his/her hands.

The goalkeeper may not propel the ball in the air over the half-way line during goal kicks, throws, or dropkicks. In order for the goalkeeper to propel the ball over the half-way line,

they must place the ball on the ground and into play (at least one rotation), even if they are in the goal crease area.

The goalkeeper may also propel the ball over the half-way line at **any time** or **any place** on the field if the ball is played back to them or if they are clearing the ball from the opposing team.

### **EJECTION PENALTIES/RED CARDS**

A player shall be sent off the field of play if:  
He/ She is guilty of violent conduct or serious foul play

He/She receives 3 blue cards

He/She receives a second yellow card

He/She receives a red card based on blue/yellow card variation

**Automatic suspension for the remainder of the season if:**

a) 3 Red Cards accumulated during a season

b) 6 Yellow cards accumulated during a season

c) 18 Blue cards accumulated during a season

### **FREE KICKS**

Ten feet is automatic on a free kick; the player must **ask for the ten feet and in this case the referee's whistle will control the play.**

When the offensive team is attempting to put the ball in play with a quick free kick, the defensive player(s) may not attempt to touch the ball if they have not given the proper distance of 10 feet. This may result in a blue card.

### **COACHES, PLAYERS, & SPECTATORS**

A player or coach receiving a red card in a league or tournament game will result in ejection from the game. An ejection results in the individual being suspended from all further league and/or tournament play for a minimum of one week. Longer suspensions may result depending on the severity of the infraction. An ejection will be the decision of the soccer coordinator. Players and coaches ejected from a game must leave the pavilion and immediate vicinity. Obscene gestures, verbal confrontations, and /or objectionable demonstrations toward an official, spectator or player are grounds for suspension depending on the severity of the situation. Longer suspensions may result depending on the severity of the infraction. This decision will be made by BLD directors/coordinators after further investigation.

A player who lays a hand on, shoves, strikes, or threatens a Big League Dreams official or employee, before, during or after a match will be suspended from the park immediately for a **minimum of one year.**

A player caught shoving or striking another player or spectator will be suspended immediately from further play and remain suspended for a **minimum of 30 days,** depending on the result of the investigation by the Directors.

**Should any of *your* players or coaches leave *your* players box, to participate or break up an altercation, the game will be immediately terminated, resulting in an immediate forfeit. The team shall also receive a red card.**

The players bench area may only have players in uniform and up to (2) coaches.

Alcohol and tobacco are not allowed in the bench area. Failure to keep these items out of this area could result in a forfeit without a warning.

**Spitting on the field of play will result in an immediate blue card.**

**THANK YOU FOR CHOOSING BIG LEAGUE DREAMS FOR YOUR INDOOR SOCCER LEAGUE PLAY. OUR GOAL IS TO STRIVE TO ENSURE YOU HAVE A GREAT EXPERIENCE!! IF YOU HAVE ANY FURTHER QUESTIONS ABOUT LEAGUE RULES OR ANYTHING ELSE, PLEASE INQUIRE IN THE SPORTS OFFICE.**
